FULL-STACK DEVELOPER - WEB & MOBILE APPLICATIONS

SUMMARY

IT teams at APC engage in web and mobile application product development and AI/ML applications for church ministry, missions, and outreach. Our goal is to leverage Technology in Missions to bring God's word "to every tribe, tongue, people and nation" (audacious goal, but something to work towards).

We are seeking a passionate and versatile Full-Stack Developer to join our dynamic product development team developing and deploying our cutting-edge web and mobile applications for Christian church, ministry, and missions to further the purposes of God on the earth, to serve people and strengthen their walk with God. You will play a key role in building and enhancing both web and mobile applications, and your expertise in Dart, Flutter, Golang, and Cloud Platforms (GCP, others) will be invaluable in shaping the future of our digital products.

VISION

To develop cutting-edge web and mobile applications that help to strengthen and nurture people in their walk of faith. APC therefore will be able to combine strong anointed ministry with strong organization and maximize its use of IT to be an explosive force for God on the earth.

Please review the APC Organization Chart available on OUR TEAM page (apcwo.org/about-us/our-team).

ROLE DESCRIPTION

The following provides an overview of the responsibilities that we presently envision for this role. These will be continuously updated as new initiatives are explored.

- Design, develop, and implement features for web and mobile applications using Dart and Flutter.
 - Build robust and scalable backend services using Golang and deploy them on Cloud Platforms (GCP, others).
 - Develop and integrate AI/ML models into applications to enhance user experience and functionality.
 - Collaborate with designers, product team leaders, and other developers to define technical requirements and solutions.
 - Write clean, well-documented, and maintainable code.
 - Conduct unit and integration testing to ensure code quality and performance.

-
- Contribute to the overall technical architecture and infrastructure of our applications.
 - Knowledge of containerization technologies like Docker and Kubernetes.
 - Experience with CI/CD pipelines and DevOps practices.
 - Stay up-to-date with the latest technologies and trends in full-stack development, cloud platforms, and AI/ML.
 - Participate in code reviews and provide constructive feedback to colleagues.

QUALIFICATIONS/EXPERIENCE REQUIREMENTS

- Must have a definite call of God to this kind of ministry role, with a strong passion for God's Word and depth in the Spirit.
- Must be passionate about local church ministry, discipling, equipping and empowering people for Kingdom purposes.
- Bachelor's degree in Computer Science or a related field, or equivalent experience.
- 2+ years of experience as a Full-Stack Developer with strong proficiency in Dart, Flutter, and Golang.
- Experience with building and deploying applications on Cloud Platforms (GCP, others).
- Familiarity with AI/ML concepts and practical experience with ML libraries or frameworks is a plus.
- Passion for building high-quality software and providing an exceptional user experience.
- Excellent communication and collaboration skills, with the ability to work effectively in a team environment.
- Strong problem-solving skills and a passion for learning new technologies.
- Proven ability to work independently and as part of a cross-functional team.
- Preference will be given to those who have been actively involved in serving at APC, Bangalore.

As APC is a local church and Christian ministry, all positions require people who are passionate about Jesus Christ, and who are called, anointed, and committed to serving Him and people to see lives touched and transformed into Christlikeness.

As a **family church**, we grow together as a community in Christ centered fellowship, caring and serving each other in love as the assembly of God.

As an **equipping center** we empower and equip every believer to live victoriously, mature into Christlikeness and fulfil God's purposes for their lives.

As a **missions base** we engage in meaningful ministry to bless our city, nation and the nations with the full Gospel of Jesus Christ through the Word of God and supernatural demonstrations of the power of the Holy Spirit.

As a **world outreach** we serve locally and globally by nurturing godly leaders and Spirit filled churches who can impact their regions for the Kingdom of God.

The vision of All Peoples Church is to be salt and light in the city of Bangalore and a voice to the nation of India and to the nations.
